

NVAO
CONFIDENCE IN QUALITY

CONCLUSION

NVAO concludes regarding the programme

**BREVET DE TECHNICIEN SUPÉRIEUR
GESTION D'ENTREPRISE ET DÉVELOPPEMENT
DURABLE**

offered by

LYCÉE TECHNIQUE D'ETTELBRUCK

The quality of the programme can be demonstrated in a verifiable manner based on the assessment ground. For each of the assessment areas, the programme has met the underlying assessment criteria.

This programme consists of 120 ECTS credits offered in Ettelbruck (Luxembourg).

NVAO comes to this conclusion based on the findings by the assessment panel appointed by NVAO to conduct the assessment of the programme. The assessment report prepared by the panel forms an integral part of this conclusion.

NVAO hereby advises the Minister of Research and Higher Education of Luxembourg to take a positive re-accreditation decision.
